COURSE MISSION:

To provide opportunities and encouragement for students to always do their best. To develop safe, competent, courteous, law abiding, happy, informed and responsible drivers. This course goes beyond the basic skills needed to get a driver's license. Emphasis is placed upon the driver's abilities, the vehicle, having constant control, making good decisions and continual regulation of space and speed. The interaction & application between the driver, vehicle, and the driving environment will be constantly practiced, tested and reviewed.
